

Nonprescription Diabetes Test Devices

Authorized Distributors of Nonprescription Diabetes Test Devices

Assembly Bill 602 (Bonta, Chapter 139, Statutes of 2017) requires manufacturers of nonprescription diabetes test devices to post the names of their authorized distributors on the internet and to make those names available for posting on the California State Board of Pharmacy website.

Below are the names of authorized distributors provided by manufacturers of nonprescription diabetes test devices. This list will be updated as information is provided to the Board of Pharmacy.
